

The **CPC/PI** (Cooperation with the Professional Community and Public Information) Committee wants **YOU!** Service to others is the third legacy of our AA triangle. It's one of the best ways we have to share with others the gift of sobriety we've been given as a result of this program, and maybe save a life in the process. And it helps us stay sober!

Our committee's primary goal is to find ways of reaching out to people in the professional community (medical professionals, educators, HR managers, law enforcement, etc.) who often come in contact with problem drinkers, and to reach problem drinkers directly (through events such as health fairs, recovery rallies, and public service announcements).

If you think you might be able to help or would like to know more, please email us at cpcpichair@aainri.com, or join us on the **fourth Thursday of every month** at **7:00 pm** at the Area 61 office, **3649 Post Road** in **Warwick**.
